

# Bus tickets on net

---

Travel portal Make-MyTrip has expanded its range of offerings to include bus ticket bookings. Travellers can now access this service both on the website or the physical travel stores in over 20 cities across India. The entire purchase process - from search to printing ticket (including transaction) can be accomplished on the website in four simple steps. Booking through the Make-MyTrip website enables travellers to choose their seat from the seat map as per their preference. It offers bookings across categories like Volvo, air conditioned, non-air conditioned, deluxe, semi deluxe, sleeper and semi sleeper buses.
